

## Lars-Gunnar Edh new CEO of Lantmännen Agroetanol

**Lantmännen welcomes Lars-Gunnar Edh as Lantmännen Agroetanol's new CEO, appointed to take the next step in developing the business.**

On May 13th, Lars-Gunnar Edh will take over as Agroetanol's new CEO, in order to further develop the operations and create a broader and more stable business.

Lars-Gunnar has a M.Sc. degree in mechanical engineering from Chalmers in Sweden, and has many years of experience from leading positions in international groups – including Saab Automobile and General Motors. Most recently, he comes from a MD role for Assa Abloy's operations in China.

With his industrial experience, Lars-Gunnar will contribute to Agroetanol's further development of stable production and innovative solutions.

In connection to this, Agroetanol's current CEO Jan Mauritzson will be leaving Lantmännen for new challenges outside the group.

### **About Lantmännen**

Lantmännen is an agricultural cooperative and Northern Europe's leader in agriculture, machinery, bioenergy and food products. Owned by 25,000 Swedish farmers, we have 10,000 employees, operations in over 20 countries and an annual turnover of SEK 45 billion (approximately EUR 4.5 billion). With grain at the heart of our operations, we refine arable land resources to make farming thrive. Some of our best-known food brands are AXA, Bonjour, Kungsörnen, GoGreen, GooH, FINN CRISP, Schulstad and Vaasan. Our company is founded on the knowledge and values acquired through generations of farmers. With research, development and operations throughout the value chain, together we take responsibility from field to fork. For more information: [lantmannen.com/en](http://lantmannen.com/en).
