

## **Dividend of SEK 1.125 billion to Lantmännen's members**

**Lantmännen's strong results for 2024 enable a dividend of SEK 1.125 billion to members – the second highest dividend ever. The decision was made at Lantmännen's Annual General Meeting today.**

"It is gratifying that Lantmännen has delivered another record result, which has enabled the Annual General Meeting to once again decide on a very high dividend to our members. The billion-kronor dividend is a significant contribution to profitable and competitive Swedish agriculture, while also contributing to a robust food supply. I would like to extend a warm thank you to all members and employees who contributed to the strong result and thus made the dividend possible," says Lantmännen's outgoing Chairman of the Board Per Lindahl

In 2024, Lantmännen delivered an operating profit adjusted for items affecting comparability of SEK 2,868 million. This is a new record result for Lantmännen, Food division, the Swecon business area and the Real Estate business area improved their results during the year.

"Lantmännen has a strong business portfolio and robust strategy, and we continue to invest to create profitable growth in our business and to strengthen Swedish agriculture and Swedish food production. At the same time, given the great uncertainty in the world around us, we maintain a clear focus on cost control and measures to meet the challenges that arise. I look forward to continuing to develop the Lantmännen Group together with our members and employees," says Magnus Kagevik, Lantmännen's President and CEO.

### **About Lantmännen**

Lantmännen is an agricultural cooperative and Northern Europe's leader in agriculture, machinery, bioenergy and food products. Owned by 17,000 Swedish farmers, Lantmännen has 12,000 employees, operations in over 20 countries and an annual turnover of SEK 70 billion. With grain at the heart of the operations, Lantmännen refine arable land resources to make farming thrive. Some of Lantmännen's best-known food brands are AXA, Kungsörnen, Scan, GoGreen, FINN CRISP, Schulstad and Vaasan. The company is founded on the knowledge and values acquired through generations of farmers. By engaging in research, development and operations throughout the value chain, Lantmännen takes responsibility from field to fork.
