

## **Lantmännen's acquisition of HKScan's Swedish operations has been approved by the EU Commission – expected to be completed during March**

**On December 29, Lantmännen signed an agreement to acquire 100 percent ownership of HKScan Sweden AB. Following the approval of the relevant authorities, the transaction is now expected to be completed during the month of March.**

Until the acquisition has been completed, Lantmännen and HKScan continue to act as separate companies.

### **More information:**

#### **About Lantmännen**

Lantmännen is an agricultural cooperative and Northern Europe's leader in agriculture, machinery, bioenergy and food products. Owned by 18,000 Swedish farmers, we have 10,000 employees, operations in over 20 countries and an annual turnover of SEK 65 billion. With grain at the heart of our operations, we refine arable land resources to make farming thrive. Some of our best-known food brands are AXA, Bonjour, Kungsörnen, GoGreen, FINN CRISP, Schulstad and Vaasan. Our company is founded on the knowledge and values acquired through generations of farmers. With research, development and operations throughout the value chain, together we take responsibility from field to fork. For more information: [www.lantmannen.com](http://www.lantmannen.com)
